

## **Lyrics to Love Will Be Our Home :**

If home is really where the heart is  
Then home must be a place that we all can share  
for even without difference our hearts are much the same  
And where love is we come together there.

Wherever there is laughter ringing  
Someone smiling, someone dreaming  
We can live together there  
Love will be our home  
Where there are children singing  
Where a tender heart is beating  
We can live together there  
Love will be our home

With love our hearts can be a family  
And hope can bring this family face to face  
And though we may be far apart our hearts can be as one  
When love brings us together in one place.

Wherever there is laughter ringing  
Someone smiling, someone dreaming  
We can live together there  
Love will be our home.  
Where there are words of kindness spoken  
Where a vow is never broken  
We can live together there  
Love will be our home

Love will, love will be our home  
Love will, love will be our home  
Love will, love will be our home  
Love will, love will be our home

**Lyrics to Welcome To The Family by Psalty :**

Welcome to the family  
We're glad that you have come  
To share your life with us  
As we grow in love and  
May we always be to you  
What God would have us be  
A family always there  
To be strong and to lean on,

""

May we learn to love each other  
More with each new day  
May words of love be on our lips  
In everything we say  
May the Spirit melt our hearts  
And teach us how to pray  
That we might be a true family
