Invitation

Dear,

The Ramallah Contemporary Dance Festival (RCDF) is annually organized by the Sareyyet Ramallah - First Ramallah Group, in Palestine. It is an artistic festival specialized in contemporary dance and was first held in 2006

The festival aims to promote dialogue and cultural exchange between the Palestinian people and international communities. It also aims to introduce a variety of contemporary dances to the Palestinian people and to develop the capabilities of those who work in the dance field in Palestine. The Festival targets the Palestinian Public in general and the youth sector in particular, with a wide range of activities such as dance performances, dance workshops, dance video and photography workshops, exhibitions, the World Dance Day, as well as a dance conference.

This year the festival is holding its 10th edition between the 16th and 26th of April, 2015. During the festival Sareyyet Ramallah would like to invite the Norwegian artist Brynhild Bye-Tiller to have the exhibition "Ramallah – Trondheim Series" in our facilities in April 2015.

We look forward to welcoming her for this important exhibition.

Kind regards

Khaled Elayyan
Festival Director
